FOR IMMEDIATE RELEASE

Delays on Topanga Canyon Boulevard (SR-27)

TOPANGA – The California Department of Transportation (Caltrans) will close one lane of Topanga Canyon Boulevard (SR-27) to remove weeds and brush to create firebreaks along slopes, beginning Wednesday, January 4, 10 a.m. to 2 p.m. for the next two weeks. Work will occur one to four miles north of Pacific Coast Highway (SR-1).

Motorists should expect one to five minute delays and consider alternate routes. Traffic control will be in place. Closures are subject to change.

Caltrans reminds motorists to “**Slow For The Cone Zone.**”
